## **Ramp Permit Agreement**

Permit #	Exp Date	Vehicle Make / Model / Year	VIN/SN	License Plate #	Insurance	Strobe	Signage	Radio

I authorize employees/contractors with restricted area driving privileges to use the above vehicles in the restricted area to conduct company business. I and/or the company are responsible for all employee/contractor actions using these vehicles and agree to hold the airport operator harmless for the full amount of any damage caused by vehicles operated on airport property. All vehicles permitted on airport property will obey all airport rules and regulations. Any liabilities incurred by the airport for breach of these regulations by vehicles permitted on the airport by our company will be reimbursed in full within thirty days of receipt of billings. If a vehicle no longer has an operational need to be in the restricted area, I will ensure the permit is returned to the airport.
