## BALLOT PROPOSITIONS

**This year, Borough voters will have the opportunity to vote on the ballot proposition as outlined below.**

### Proposition 1 – Marijuana and Marijuana Products Sales Tax

<p style="text-align: center;"><b>PROPOSITION 1</b></p> <p style="text-align: center;">MARIJUANA AND MARIJUANA PRODUCTS SALES TAX</p> <p>Shall the provisions of Ordinance 1839SA, which establishes a 5 percent special sales tax on marijuana and marijuana products areawide within the Ketchikan Gateway Borough, be ratified?</p> <p>YES      <input type="radio"/></p> <p>NO        <input type="radio"/></p>
---

#### Why is this proposition on the ballot?

On August 21, 2017, the Ketchikan Gateway Borough Assembly adopted Ordinance 1839-Substitute-Amended, which established a 5 percent areawide special sales tax on marijuana and marijuana products. The special sales tax would be in addition to the Borough's areawide sales tax of 2.5 percent.

Marijuana sales within the City of Ketchikan would be subject to applicable City of Ketchikan sales tax rates. The

City currently levies a special 5 percent sales tax on marijuana and marijuana products as well as a 4 percent general sales tax. Ordinance 1839-Substitute-Amended provides that the amount of the City special sales tax on marijuana is deducted from the Borough special sales tax on marijuana sales within the City of Ketchikan, up to a maximum of 5 percent.

The special Borough sales tax on marijuana would become effective January 1, 2018 on the condition that it is adopted by voters. Unless extended by Borough voters, the tax would expire after five years. Proceeds of the tax would be placed in the Borough's General Fund and would be appropriated by the Borough Assembly on an annual basis.

**If this proposition passes, what will be the effects on Borough taxpayers and citizens?**

If Proposition 1 passes, the Borough would levy a special 5 percent sales tax on marijuana and marijuana products with an offsetting credit for special sales taxes paid on such sales within the City of Ketchikan. In summary, Marijuana sales are currently subject to a 2.5% general sales tax rate outside the City of Ketchikan and a total sales tax rate of 11.5% within the City of Ketchikan. Adoption of this proposition would adjust those rates to a total rate of 7.5% outside the City of Ketchikan and retain the total sales tax rate of 11.5% within the City of Ketchikan. The table below shows the effects of the proposed special sales tax rate to the citizens.

	Current Sales Tax Rate		Sales Tax Rate if Proposition 1 Passes	
	In City of Ketchikan	Outside City of Ketchikan	In City of Ketchikan	Outside City of Ketchikan
City General Sales Tax	4.0 %	n/a	4.0%	n/a
Borough General Sales Tax	2.5%	2.5%	2.5%	2.5%
Special Sales Tax on Marijuana	5.0%	0%	5.0%	5.0%
<b>TOTAL Sales Tax</b>	<b>11.5%</b>	<b>2.5%</b>	<b>11.5%</b>	<b>7.5%</b>

The Borough estimates that the tax would generate approximately \$30,000 to \$50,000 annually. Legalized marijuana is a new industry in the Borough, and firm estimates of sales and tax revenue are unavailable. The revenue from the tax would not be restricted for a special purpose.

**If this proposition fails, what will be the effects on Borough taxpayers and citizens?**

Should Proposition 1 fail, the Borough would not collect a special sales tax on marijuana and marijuana products. These products would continue to be subject to the current Borough sales tax rate of 2.5 percent.

The Borough General Fund would forgo the estimated annual revenue stream of between \$30,000 and \$50,000.
