RFP CHANGES:

Clarification Regarding Sales Tax Requirements for Sales through Vending

Machines - The firm selected to provide vending machine services will be required to collect sales taxes and remit the proceeds to the Ketchikan Gateway Borough. Placement of vending machines on Borough property does not constitute a sales tax exemption.

The sales taxes currently amount to 6.0 percent within the corporate boundaries of the City of Ketchikan (2.5 percent Borough sales tax and 3.5 percent City of Ketchikan sales tax). The sales tax within the Borough but outside the boundaries of the City of Ketchikan and the City of Saxman amounts to 2.5 percent.
