Modification to required deliverables:

In addition, the contractor will provide the final version of the drawings of each shelter in an editable digital DXF or DWG CAD format. A stamp will not be required on the CAD files. The KGB will own the drawings and will reserve the right to reuse and edit the drawings as they deem fit in the future.

Modification to Contract Negotiations:

In the manner provided in the request for proposals, the manager may negotiate with those responsible proponents whose proposals are determined by the manager to be reasonably responsive to the request for proposals. Negotiations shall be used to clarify and assure full understanding of the requirements of the request for proposals. The manager may permit proponents to revise their proposals after submission and prior to award to obtain best and final offers. Proponents deemed eligible for negotiations shall be treated equally regarding any opportunity to clarify and revise proposals. In conducting negotiations or requesting revisions, neither the manager nor any other borough officer or employee shall disclose any information derived from proposals of competing proponents.
