RE: APPARENT LOW BIDDER, SOUTH TONGASS WATERLINE PHASE IV

The bids for this project were opened at 2:00 pm ADT in the Assembly Chambers of the Ketchikan Gateway Borough.

The apparent low bidder for this project is BAM, Inc. with a bid of \$595,500.

Borough staff are reviewing the bid submittals for compliance with all the USDA and Ketchikan Gateway Borough requirements. Due to the complexity of the documentation required, a Notice of Intent to Award will not be issued until the review of the submitted documents by all involved parties.

After the Notice of Intent to Award is issued, there will be a 5-day protest period to appeal the award of the contract.

Thank you all for your interest in the project.
