## Order

Date of Order: 2/10/15

Trial Court Case # 1KE-14-00016CI

The State of Alaska and the Commissioner of the Department of Education and Early Development have filed an emergency motion for a stay of the superior court's judgment dated January 23, 2015. That judgment forbids the State from requiring any further payment by the Ketchikan Gateway Borough of the required local contribution described in AS 14.17.410. The Borough and the other appellees oppose the motion. The parties indicate that the State has filed a similar motion with the superior court. The superior court has issued a scheduling order indicating that a decision on the motion may be issued on or before February 23, 2015.

IT IS THEREFORE ORDERED that the parties shall provide notice when the superior court enters its decision. This court will decide the State's motion promptly thereafter.

Entered at the direction of an individual justice.
