

KETCHIKAN GATEWAY BOROUGH & CITY OF KETCHIKAN

MEDIA RELEASE | Private Vessel Access at Taquan Dock Discontinued | Update 11

Date: March 23, 2025, 1900

Contacts: Anthony Pio, Borough Public Information Officer, 907-228-2340
Kim Simpson, City Public Information Officer, 907-204-0010
EOC Phone: 907-228-2394

For Immediate Release:

KETCHIKAN, Alaska – The Emergency Operations Center (EOC) is requesting that private vessels conducting transport services cease use of the Taquan Air docks, effective immediately, to allow the company to safely resume regular operations.

This request is being made to allow the EOC water shuttle system to operate safely around Taquan Air's aircraft in the water. By directing private vessels to other public docking facilities, we can ensure that the water shuttle system, which is crucial for transportation during the road closure, can continue to operate without interference. This will also allow Taquan Air to resume their regular operations safely and efficiently.

The EOC, Taquan Air, and Allen Marine Tours sincerely thank all the those who stepped up to help transport our community during this time.

We appreciate the community's cooperation and ongoing support as transportation efforts continue in response to the road closure.
